

Tuesday Trumpet

Emanuel Redeemer Lutheran School

February 7th, 2012

We hope and pray that God continues to bless our students and their work along with the families that support them. Let's keep up the good work!

The following are general areas of study this week:

- **Math:** Kindergarten will work on graphing. Second grade is working on measuring. Third grade will be doing long division. Fourth grade is doing long division. Fifth grade will work with fractions. Sixth grade is working with geometry. Eighth grade will study geometry.
- **Christ Light:** Kindergarten will learn about Gideon. Second through fourth grade will learn about Jericho.
- **Reading:** Second grade will read "An Octopus is Amazing." Fourth grade will read the novel "The Borrowers." Fifth through eighth will read a story about moving to a different country.
- **Music:** Fifth through eighth grade will continue to study musical time periods. Second through fourth grade will learn different song forms. Kindergarten will talk about pitch.
- **Geography:** Fifth through eighth grade will continue to study Europe.
- **Physical Education:** The kindergarteners will learn to jump rope. Second through fourth will learn to throw Frisbees and discs.
- **History:** Kindergarten will learn about seasons. Second grade will learn about the colonies fight for freedom. Fourth grade will take a test on the Northeast Wednesday. Fifth and sixth grade will study Jamestown colony. Eighth grade will study ancient China.
- **English:** Second through eighth graders are all studying verbs and objects.
- **Spelling:** The students will all take a test on Friday. Their words should be in their assignment books.
- **Science:** Kindergarten will talk about where animals live. Second grade will talk about weather. Fourth grade will discuss Earth and its water. Fifth grade will talk about water on the Earth. Sixth and eighth graders will study different systems of the body

May God always bless our studies.

NEWS & NOTES

Important Homework Dates

Once again, I will be making a section in the Tuesday Trumpet which lists certain "bigger" projects, tests, or quizzes. This is to help you better know what bigger assignments your students may have.

Wednesday, February 8th: 4th grade history test

Friday, February 10th: 5th – 8th grade geography project

Chapel

Chapel will be this Wednesday, February 8th.

Spring Play

The students are going to start practicing a play for the Spring Spectacular. The Spring Spectacular will be in April and will be a night when the children will put this play on. In order to have more practice time, I am sending home a note to see if any parents would allow their children to stay a ½ hour after school in order to practice. After I get responses from parents, I will inform all to whether or not this will happen. Please sign the slip and return it with your child.

Red Folders

Please make sure all students are emptying their red folders at home. They should be bringing something home almost every day.

Calendar of Events

Friday, February 17th and Monday, February 20th No School
